local octopus croquettes, etc.

Yum! So good!
Fried mashed potatoes
with lots of soft & juicy
octopus meat!
(Japanese croquette)

Conger eels, called "anago," have long been used for local
traditional cuisines in Sennan City. The catch of anago has
been greatly decreasing in recent decades. Okadaura
Fishery Cooperative has been engaged in the farming of
anago with Kinki University on a trial basis. It has been
attracting a lot of attention.
